**Dear Greg,**

**I would like to thank you for your most professional assistance in the sale and settlement of the above referenced property. I was somewhat cautious at the beginning of the process in that I have never dealt with your company in the past. As you are aware, the owners were in a very difficult position both financially and health wise. Time was of the essence in the sale of this home. Everything you said you would do, you did. In my 45 years in the real estate business, rarely have I seen anyone process and settle a case so quickly.**

**In the future, if I have occasion to use you again, or the opportunity arises to recommend you and your company, I will surely do so. Again thanks.**

**Sincerely,**
