Dear Greg,

Just wanted to drop you a quick line to say "**thanks**" for being there when I needed you.

When decided to sell my home and move in with my daughter--I contacted a real estate agent, who was very nice, but I knew it would take way more time and energy than I had at the time to work with them, and happened to see your sign (*I BUY HOUSES*). So very glad I called you. You came to my home the next day, made a nice offer on my home, and said you would take care of everything--and you did--and all I had to do was be there at the closing, pick up my check--and so it was! I've met several Real Estate agents in my life, but none as personable and caring as you were to me--and that's the truth. The decision to have you handle my property was easy and the best thing that could have happened to me under my circumstances at that time.

The fair market price you offered, a quick closing, and my check was immediate. What a relief!

Later, I phoned you that I wanted to buy a home in southern Virginia and asked if you could help me once again. You said you didn't sell homes in this area, but to help out, you sent your "Buyers Guide" course so I could buy my new home myself. I'll put the Guide to use.

Much thanks, again, for helping me where you can, and I know you'll be only a phone call away when I need help.

Your truly,
Rebecca
