Greg-

I must say it was a pleasure to work with you on a recent sale of a home in Arlington. I do not usually respond to emails from investors interested in buying properties...but, the timing was just right on this one. For a number of reasons, my seller was just not interested in having any work done to her home, even though we knew it had great potential. You saw that potential, made a fair offer, and kept every promise with regard to a quick settlement and all transaction details.

I hope to work with you again in the future, and will be happy to act as a reference for you should you ever need a positive recommendation.

Best regards,

Judi Gray
