Dear Greg,

Just a note of thanks for a very efficient and satisfactory transaction. You offered us a fair price for our home and closed within 2 weeks of signing our contract. The entire transaction was handled professionally and fairly and my husband and I both appreciate the experience.

We would most certainly do business with you again and will definitely recommend you to friends and family who may find themselves in a position to sell their home.

Thank you again for your help.

Sincerely,

Lynne Norman
