

Dear Terry:

If you believe in convenience, I guess that is how we met. You came along at a very difficult time in my life and relieved the pressure and stress of selling my house. I could not afford to repair the cosmetic needs of the residence or knew how. *Creative Asset Management, Inc.* made a legitimate offer with promising terms and I must admit to being skeptical. Throughout the process, you keep your word and delivered a simple and easy solution. I can not express how grateful I am for making this a positive experience. I would recommend the company to anyone buying or selling a house but more importantly, I will always praise you for your kindness and integrity. Terry, I can not thank you enough for your kindness and integrity. I hope to look for a home next year and you are at the top of my list for assistance.

Sincerely,

Jill English

*P.S. Thank you for allowing me to view the house after you cleaned up and spruced up the place. It is awesome and so are you.*
